

SHOOTINGS ARE NOW THE THIRD LEADING CAUSE OF DEATH FOR AMERICAN CHILDREN

Over the past five years, Tennessee lawmakers have loosened the state's already lax gun laws while refusing to pass even the most moderate gun law reform laws.

WE SAY ENOUGH!

Students everywhere are taking things into their own hands to finally work for change in gun laws and action against gun violence.

AGREE? JOIN US.

Work with students across Nashville to advocate for policies that will reduce the number of people injured and killed by gun violence. Every. Single. Day.
