

PRIORITY LEGISLATION THIS WEEK - MARCH 25

This is a BIG week for firearm legislation!

These are the bills we are following this week. All are scheduled for committee votes. Please read through them and contact the members of the committees voting on them. Let legislators know how you want them to vote by sending a quick email or phone call (you can even leave a voicemail after hours). When referencing a bill, please remember to refer to the bill number. You are also encouraged to come to the hearings. They are all held in the Cordell Hull Building located at 425 5th Avenue North in downtown Nashville.

HB1224/SB1025, our domestic violence legislation, will be before both the <u>Senate Judiciary</u> <u>Committee</u> and <u>House Constitutions and Sentencing Subcommittee</u> this week. The bill is very straight-forward and will cost the state nothing to implement. It will help to protect domestic violence victims and their families by creating much needed accountability for third parties who take possession of domestic violence offenders firearms. If possible, please consider sending individual, personalized emails to committee members. Contact information for the two committees can be found in the links above.

You can contact members of both committees using our Advocacy Action page.

There are several VERY important domestic violence-firearm bills up this week.

Eliminates Firearm Dispossession Form -- OPPOSE --

As introduced, requires the domestic violence coordinating council, in coordination with the administrative office of the courts, to revise the affidavit of firearms dispossession form to require only a signature from a defendant convicted of domestic violence. ** This bill would get rid of a firearm dispossession procedure and form that convicted domestic violence offenders currently complete after they have dispossessed their firearms following conviction.**

No Punishments For Carrying Gun Where Prohibited - OPPOSE

As introduced, increases from 21 to 30 the number of calendar days within which a person granted an order of protection may apply for a temporary handgun carry permit from the department of safety after an order of protection has been granted. *AN AMENDMENT WAS ADDED TO THE BILL THAT REWRITES IT - THE AMENDMENT SAYS THAT A PERMIT HOLDER CARRYING A GUN IN A PLACE THAT PROHIBITS THEM CAN SIMPLY BE ASKED TO LEAVE AND NOT FACE ANY CONSEQUENCES. In committee hearings, the sponsor admitted that he is aware of no instances of this law ever being enforced. In other words, this legislation is a solution seeking a problem and will likely lead to people knowingly ignoring posted signs because they know there is no penalty.
